## Crime Crusader Speaks At Chapel

Crime-crusader Howard Whitman advocated a new policy of treating America's criminals at yesterday's DePauw University chapel in Meharry Hall.

Whitman, a writer of crusading articles for many of the nation's best-known publications, warned that this country has paralleled between two extremes in handling the inmates of penal institutions.

Some institutions, he said, use the medieval approach of harsh treatment, while others apply a more modern approach which usually degenerates into coddling. A middle ground he termed the "area of responsibility."

Such an area, he continued, includes two major methods of treatment—quarantine and rehabilitation. Since that approach would allow criminals as much responsibility as they could handle, it also would involve indeterminate sentences that would end "when the criminal is 'well'."

Until authorities change techniques in American institutions, such institutions will continue to produce ex-convicts rather than ex-criminals.

## IN THE GOOD OLD DAYS

JENNINGS REPORT — (Today we have the second installment of the narration of John S. Jennings before a meeting of the Pioneers Association held in Greencastle in February, 1869.)

"Having no court house, the church was used for that purpose. Court usually lasted one week. Our resident lawyers were Henry Secrest, Joseph F. Earley, George F. Waltermann, John Cowgill, and Robert Glidewell, all of whom are dead except Mr. Glidewell. Judge Porter was on the bench. Quite a number of attorneys from a distance attended our courts, among them James Whitcomb, F. H. Blake, Judge Kinney, Craven P. Hester, John Law, Elisha Huntington, Samuel Judah, Hugh Livingstone and Thomas Q. Adams. We had but one physician in town when I came—Dr. Enos Lowe. In the fall of 1826, Dr. L. M. Knight and Dr. A. C. Stevenson commenced the practice of medicine. We had quite a number of mechanics in town. I had the honor of starting the first cabinet shop in Greencastle. I also made the first wheat-fan seen in Putnam County. It was made of wood, running gears and all, and did considerable work for the neighborhood. I also built the first electrifying machine seen in Greencastle, and with this we had a great deal of sport "shocking" those unacquainted with its power. When Greencastle was first laid out it was one-half mile square, and contained one hundred and sixty acres. That part of the city that lies east of Indiana Street was donated by Ephraim Dukes, and was entered by him January 25, 1821. Mr. Dukes came from near Greencastle, Pennsylvania and our town was named after that place by him. The west half of the old plat was donated by John W. Clark, and had been entered by him September 17, 1822. Four lots were reserved for churches for as many different religious denominations—the Methodist, Baptist, Presbyterian and New Lights. The latter at that time had considerable strength in the town and country. Mr. Dukes also received lots 193 and 194. A donation of five acres of land was next made to the town on the southeast corner by Isaac Legg, who then owned what was known as the Southern Enlargement of Greencastle. This land he entered April 11, 1823. What is known as Eastern Enlargement of Greencastle was sold to a company of gentlemen by Dr. John Slavens, who had recently removed to this place from Kentucky. By them it was laid out in lots and sold. What is known as the Railroad Enlargement was entered by Nathaniel and Samuel Talbot, February 29, 1821, and February 13, 1822. That part of town known as DePot Enlargement was entered by Gen. Joseph Orr, April 21, 1823. Ash, Allen and Peck's Enlargement was entered by Master Hunter, and sold by him to James Allen. It was entered October 17, 1822 and May, 19, 1823. All these men are now dead except Gen. Orr. It will probably interest the reader to know what some of the best town lots sold for in those days, and I will mention a few sales. At the first sale, lot 91, on the southeast corner of the public square was sold to James Talbot for \$61. No. 92, now known as the Thornburgh Block, sold to Joseph Thornburgh for \$60. No. 100, known as the Ash lot, sold to Jubal Dewese for \$87. No. 101, now occupied by Werneke's Shoe Shop, to Samuel Biggs for \$42. No. 112, now oc-

cupied by the city hall, was sold to James Talbot for \$61. No. 92, now known as the Thornburgh Block, sold to Joseph Thornburgh for \$60. No. 100, known as the Ash lot, sold to Jubal Dewese for \$87. No. 101, now occupied by Werneke's Shoe Shop, to Samuel Biggs for \$42. No. 112, now oc-

## CARDS, CUBS TAKE FRIDAY NIGHT TILTS

FOUR SQUADS BATTLE IN  
SEMI-FINALS HERE THIS  
AFTERNOON

It was Roachdale against Reelsville and Greencastle versus Fillmore in the semi-final games of the sectional tournament this afternoon in the local high school gymnasium. The two winners will meet tonight to determine the championship.

Fillmore's Cardinals eliminated the Russellville Bees in the 7 o'clock game Friday evening by the score of 58 to 45. The Tiger Cubs downed a stubborn Bainbridge squad, 58 to 46 in the nightcap.

Greencastle, in winning from the Pointers, played without the services of Bob West during the entire second half. The Cub veteran became ill and it was feared that he would be unable to see action Saturday.

The Cubs had their hands full in stopping Ken Adams, Jackie Porter, Charlie Miller, Marvin Bullerick and Claude Fowler. Those five Bainbridge boys performed splendidly and kept the Greencastle team in hot water until the final gun. Incidentally, Adams chalked up a total of 15 points which was just as good as the 15 made by Charlie Long and Jim Cowger for the Tiger Cubs.

Greencastle held a narrow 14-10 edge at the quarter but managed to increase their advantage to eight points at the half, 26-18.

Bainbridge outscored the Cubs in the third frame, 15 to 14, but trailed 40 to 33. Coach Tom Goldsberry substituted freely during the last period and Greencastle won, 58 to 46.

Deke Allen, who replaced West at the pivot job, turned in a good game in addition to collecting seven points. Duncan hit ten and Collins six for the Cubs.

Russellville made a battle of it in the first quarter with Fillmore. The Bees knotted the count at 7-7 and 11-11 as the first period ended. The East Putnam Cards, led by center Hersh Ross pulled away to hold a 29 to 23 margin at halftime.

The Cardinals then continued to hold the upper hand during the third quarter, leading 42 to 29. Both teams racked up sixteen points during the last frame and the tilt ended with Fillmore winning, 58 to 45.

Ross accounted for 22 of the Cardinals points. Bob Sibbitt got 14 and Russ Cash registered nine.

For the Bees, John Whiteley hit 13 and Jim Shalley 10.

## Five Students Escape Injury

Five students escaped injury at midnight last night when the car driven by Burton Wiese, Chicago, went off the road on the water works hill. Wiese got through the bridge all right, but then he swerved off the pavement and tore down a half dozen guard rail posts, broke one of the heavy cables and the second caught the car at a dangerous angle and held it from going over the embankment into the adjacent field.

The car was badly damaged but not one of the five young men received a scratch. The sheriff and an ambulance went to the scene of the wreck, but in the meantime the boys had gone to the Moon Grill for refreshments. They later returned to the scene of the accident where the sheriff contacted them.

WASHINGTON, Feb. 28.—(INS)—Sen. George, Ga., senior Democrat on foreign policy matters in Congress, warned today that any Republican changes in President Eisenhower's anti-entailment resolution will "divide" the Senate.

There is No Death  
There is no death the leaves  
The flowers may fade and pass  
They only wait through wintry  
hours  
The coming of the day.  
There is no death the dust we

Shall change beneath the sum-

To golden grain or mellowed

Or rainbow-tinted flowers.  
There is no death the stars go

## SENT TO PRISON

The suspension of sentence  
Harvey E. Gorham received Jan.  
9, didn't do him much good. He  
was taken to the State Prison at  
Michigan City Friday afternoon,  
with the suspension revoked.

Gorham was found guilty of a  
charge of receiving stolen goods.  
He was one of four men convicted  
of the looting last fall of the  
home of Otto Haverkamp while  
the latter was in the South on a

that he stay out of trouble.

Judge Sommer, in passing sen-  
tence, said:

"When I gave you a suspended

I asked. Since you did not, the  
suspension of your sentence is  
revoked."

Gorham was sentenced to  
serve one to 10 years on the

## IN MEMORY

There is no death the leaves  
The flowers may fade and pass  
away  
They only wait through wintry  
hours  
The coming of the day.

There is no death the dust we  
tread  
Shall change beneath the sum-  
mer showers  
To golden grain or mellowed  
fruit  
Or rainbow-tinted flowers.

There is no death the stars go

To rise upon some fairer shore  
And bright in Heaven's jeweled  
crown  
They shine forevermore.

### SENT TO PRISON

The suspension of sentence  
Harvey E. Gorham received Jan.  
9, didn't do him much good. He  
was taken to the State Prison at  
Michigan City Friday afternoon,  
with the suspension revoked.

Gorham was found guilty of a  
charge of receiving stolen goods.  
He was one of four men convicted  
of the looting last fall of the  
home of Otto Haverkamp while  
the latter was in the South on a  
vacation.

When sentence was passed,  
Jan. 9, one of the conditions was  
that he stay out of trouble.

Judge Sommer, in passing sen-  
tence, said:  
"When I gave you a suspended  
sentence, I hoped you'd do what  
I asked. Since you did not, the  
suspension of your sentence is  
revoked."

Gorham was sentenced to  
serve one to 10 years on the  
charge of receiving stolen goods.

## For Prevention or Healing... CALL THE DOCTOR

"Johnny's sick!" The words strike fear in your heart, although your child's name may be Mary, Jane, or Bob. You put him to bed and call the doctor. You give him medicine and nurse him tenderly.

It is easy to tell when your child is not well—physically, that is. And it is comparatively easy to provide whatever is necessary to heal him. But do you feel as much concern for his soul?

Perhaps you have not noticed symptoms of spiritual disposition. Perhaps you have thoughtlessly disregarded his spiritual needs. Yet his body is only temporal, his soul will live on—and on—and on!

Your Church is like a doctor—ready to heal illnesses of the spirit, but even more eager to prevent them.

Attend Church regularly with all your family for spiritual check-ups, just as you call on your family physician for physical care.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
